Hole	Par	Yards	Legend
1	5	470	A par five that bends slightly to the right. The green is undulating and surrounded by bunkers.
2	4	340	A dog leg right, it is important to hit a good drive on this hole to have your best chance at a birdie, since the green is small.
3	3	180	A longer par 3, this green sits down and is surrounded by mounds.
4	4	300	A driveable par 4 by the lake, this hole has a small green which is challenging to hit.
5	5	270	Another driveable par 4, but the green is elevated, small and surrounded by sand, which can make for a tricky hole.
6	3	115	#6 can deceive you. Even though the hole is really short, the green is very small which requires a good shot off the tee to have a birdie chance.
7	4	428	A tough long par 4 that could be on any golf course in Northwest Arkansas.
8	3	130	A precise shot is required for success on this Par 3 over water with a very narrow green.
9	5	535	#9 runs through the berms and over a lake to an elevated green surrounded by sand for a challenging finish.
